## MESSAGE FROM SCOUT EXECUTIVE

We're in the dog days of summer, for sure. As I write this, I'm checking the weather forecast for Philmont where a number of GCC Scouters will be spending the next week: much cooler and daily chances of rain. Sounds like a nice respite from Phoenix in July!

Outdoor adventures and “camp” take place all over the place for Scouts. Pack picnics at local parks, troop campouts at county parks, and Summer Camp are the perfect places for Scouting to come alive for our Scouts, leaders, and parents.

Through the eyes of our Scouts, there is magic in Scouting. As adults we recognize that this magic is based on [the aims and methods of Scouting](#). We know that the outdoor adventures are really just lures to entice youth to learn leadership, character, and life skills – to discover their path in life.

BSA methods like advancement, association with adults, and leadership development all lead toward the ultimate goal of instilling the values of the Scout Oath and Law in youth so that they may make ethical decisions throughout their lifetimes.

This is important work, thank you for helping.

*Andy*

## Promoting Your Pack Recruitment Event

Scouting provides life changing opportunities for youth, families, and our communities at large. Welcoming new families is vital to ensure these traits continue on in our Neighborhoods. A recruitment event provides an opportunity to speak to the families of the new Scouts. We recruit so that more youth can grow from Scouting and so more adults have an opportunity to volunteer so we can maintain a local community legacy.

Reach out to new families and get excited for another great year! The Grand Canyon Council is happy to promote your recruitment event by preparing and printing customizable recruitment flyers as well as various other promotional materials and day of help! Contact your District Executive today for this support!

## 2021 Council Honorees Individual Contributions

Throughout 2022 Grand Canyon Connection will feature each of our distinguished award recipients and their individual contributions.

### Cody Mikita, Meritorious Service Star Honoree

Earning his Eagle Scout award in 2009, Cody started his adult Scout volunteer adventure soon thereafter as a Webelo den leader for Pack 735. He has also served as an Assistant Scoutmaster for troop 253 and 735 and is currently an Assistant Scoutmaster in troop 777. In addition, Cody is the adult OA troop representative in addition to being a founding member of both troop 735 and 777. “Working with Cody is always a pleasure because of his experience, willingness to teach the ideals of Scouting, and work with the youth on new things.”

Learning and Leading: Woodbadge trained, Cody has shown continued interest in learning more to support the leadership required to run a troop and serve the program effectively. With an unwavering willingness to give of himself to assist the boys in the troop and Order of Arrow, Cody fully lives and believes in the training and development opportunities Scouting offers. Cody earned the Scouter’s Key and Scouters Training Awards which exemplify his ongoing continuous learning and application of Scouting principles. As a younger Scout leader, Cody feels he can relate to the youth and help them learn the “boy-led method” while at the same time, coach the adult leaders to understand how and why this principle is so important in Scouting. All In... and More: Supporting youth through the ranks to Arrow of Light and earning activity pins, Cody guided 8 youth to the rank of Eagle with 2 more on their way. He enjoys, camping, hiking, fishing and being outdoors, teaching axe, rifle, archery, and fire safety. As a Vigil Honorary in the Order of Arrow,

Cody received the Centurion Award during the National Order of the Arrow Conference in 2015. Cody was Vice Chief of Service for many years and restarted the member service projects at Council camps. As a ceremonialist for the Ordeal, Cody continues to teach others and leads Cub Scout and Scouts BSA OA ceremonies. NRA certified, archery certified, and working closely with our Council, Cody enjoys teaching youth how to maintain rifle and archery equipment. Cody currently has his CNA and Paramedic licenses and works as an intake nurse at a leading plasma center. Cody enjoys supporting the YMCA as a T-ball coach and an MS Walk volunteer.

It is for these and so many reasons that Cody has earned the Meritorious Service Star! Congratulations, Cody! Your Scouting community is very fortunate to have you as one of their dedicated and committed Scout leaders, coach, guide, volunteer, and friend! Thank you!

## Minor Modifications to Scouts BSA Rank Requirements

In 2021, all outdoor-related rank advancement requirements were reviewed and realigned based on guidance from the National Outdoor Ethics and Conservation Subcommittee. These adjustments will help more effectively build a Scout's outdoor ethics knowledge and align with the information in the Scouts BSA Handbook and Fieldbook. The requirements now build in a logical way through the ranks, with Leave No Trace (LNT) and the Outdoor Code (OC) used as references throughout.

Beginning August 1, 2022, these minor modifications to the Scouts BSA requirements for the ranks of Scout through Star will take effect. Scouts may continue using the existing requirements for the rank on which they are currently working, or they may choose to use the new requirements. Scouts must use the new requirements once they advance to their next rank. On January 1, 2023, all Scouts must use only the new requirements.

The specific changes are detailed below.

In addition, beginning July 1, 2022, the Citizenship in Society merit badge becomes required for the rank of Eagle.

Finally, new videos were created to support "Personal Safety Awareness" (chapter 13) of the Scouts BSA Handbook. These can be used as an alternative to earning the Cyber Chip.

The specific changes can be found [here](#). / *Source*

## Helping Cub Scouts Learn to Protect Themselves

The Boy Scouts of America is committed to creating safe environments for Scouts and leaders. As program planning starts in anticipation of the new program year, pack leaders should be aware of a change in this area that will affect the Tiger, Wolf, Bear, Webelos, and Arrow of Light Cub Scout ranks.

Because BSA's supporting partner organization had retired its Cyber Chip, that requirement is being replaced for these ranks (and this new adventure added to the requirements for Lion)

The new set of Adventures called "Protect Yourself Rules," was developed in partnership with the Barbara Sinatra Children's Center Foundation.

Child abuse is an uncomfortable topic but an important one to cover to ensure the safety and well-being of our Scouts. The Boy Scouts of America has partnered with the subject-matter experts at [the Foundation to create "Protect Yourself Rules" Adventures](#) that help children recognize, respond to, and report abuse.

Before starting work on this adventure, den leaders should review [Scouting's Barriers to Abuse](#), because this new Adventure is intended to complement BSA's existing youth-protection measures. After their den has completed its age-appropriate Adventure,

we would value den leaders' thoughts, so we ask that they complete the quick survey that is provided at the website where they reviewed the lesson plan. For their analysis, feedback from the survey will be shared with the Barbara Sinatra Children's Center Foundation. / *Source*

## Cub Scout Handbook Transition

## Time Extensions for Life Scouts Working on Eagle Rank

Topic 9.0.4.0 of the [Guide to Advancement](#) details the conditions under which a Life Scout may apply for an extension of time to earn the rank of Eagle Scout.

These extensions are granted only when necessary, and only for work on the Eagle Scout rank. The Scout must meet three tests, which generally include an unforeseen circumstance or life-changing event with severe consequences that was completely beyond the control of the Scout. ## Merit Badge Counselors for Citizenship in Society

The Merit Badge Process for Scouts, Parents, and Unit Leaders! Scouts should contact their Scoutmaster for merit badge counselor recommendations. The Scoutmaster can refer to Scoutbook for counselors or reach out directly to our Council Advancement Chairman, Bill Nelson, [Bill.Nelson@scouting.org](mailto:Bill.Nelson@scouting.org).

## Do You Have Partial Summer Camp Merit Badges that Need to be Completed?

After summer camp, Scouts may come back with partial merit badges that need to be completed. Scouts will need to work with counselors who are properly registered and approved for that badge. Troop leaders cannot sign the Scouts off on the badge if they are not also registered as a merit badge counselor and approved to counsel the badge.

Troop leaders have access to a list of registered and approved merit badge counselors in Scoutbook on the troop page (note: the troop does not have to regularly use Scoutbook to have access to that list.) If an adult in the troop would like to be registered to counsel a certain badge, they should [follow the instructions on this page](#).

Are you looking for someone in your troop who is registered as a merit badge counselor? Log in to [scoutbook.scouting.org](https://scoutbook.scouting.org) and click on your troop. Go to your troop roster, then print the roster. There you can select merit badge counselors. It will show the adults registered in your troop who are merit badge counselors and the merit badges they are assigned.

National Youth Leadership (NYLT) is a six-day leadership skills course for young adults. The program content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in an exciting environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster. Registration is now open for the 2022 National Youth Leadership Training courses.

## Trainer's EDGE

Training Fundamentals & Trainer's EDGE  
September 17, 2022 Heard Scout Pueblo

The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. It is meant to supplement the practice offered through Wood Badge and NYLT staff development, with a focus on the participant, while raising the level of skill a trainer brings to the staff experience. Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering a hands on experience in methods and media. In this course, we will be going over some basic information that will help you when presenting to a group. We will be talking about communication skills, how to be comfortable in front of a group, media used in presentations, presentation preparations and other skills to help you become an even better presenter.

## SAFETY CORNER

Driving can be one of the most dangerous forms of travel. Motor vehicle accidents can lead to serious injuries and even fatalities—not only for the driver but for passengers and others on the road. Motor vehicle accidents typically produce the most frequent and severe liability claims affecting the Scouting family. Many Scouters need to have a greater awareness of the risks of transporting Scouts in vehicles. The following tools can be utilized to help educate leaders to the dangers involved:

The Risk Zone and the 15 passenger van presentations can be found in [Safety Moments/Transporting Scouts Safely.](#)

### THE RISK ZONE

This roundtable presentation will educate participants on

- Ways to prevent distractions
- Fatigue while driving
- SUVs and vans
- Traveling with trailers
- Insurance information
- There is a short quiz and completion cards for those who succeed.

### 15-PASSENGER VAN TRAINING

USI has provided a short 15-Passenger Van slide deck for your use prior to your next trip using vans as transportation. As a reminder: pre-2005 15-passenger vans are not authorized for Scouting activities.

### SAFE Checklist

In addition, the SAFE Checklist pdf above is excellent tool that brings all the necessary safety components for scouting events together. The SAFE checklist (Supervision, Assessment, Fitness & Skill and Equipment & Environment) replaces the Sweet 16 of Safety.

[The Transportation Safety Checklist](#) is also included above and can be used as a safety checklist for vehicle/trailer inspections and ensuring YPT compliance, etc.

The beginning of the year is an excellent time to provide this training to all unit leaders and parents who help transport scouts before the busy event season is upon us.

# TROOP 644 PHILMONT BACKPACKING TREK

*Nine Scouts and Four adults from Troop 644 successfully completed a Philmont backpacking trek from June 27, to July 9, 2022.*

## Troop 747 Kools Off at Kayak Kamp Out

It didn't take long to get the hang of paddling, and we headed out onto this beautiful (but narrow) little lake. The Scouts and Scouters were having a blast and getting a workout as they headed towards a rendezvous at the dam. Some boys did some exploring on the shore while others hung out under a shady rock outcropping. Before they knew it, it was time to head back for lunch. After lunch, they explored the lake in the other direction and played some spirited games. That night, the Scoutmaster didn't have to plead with the scouts to go to bed - everyone hit the sack early! A great time was had by all and they will be repeating this camp out again.

In mid-July, Troop 747 headed to the cool pines of the Mogollon Rim for a kayaking trip. On Friday night, they headed up to the Moqui Camp Grounds, near Happy Jack, and set up camp. Saturday morning, it was a hearty breakfast, followed by an 8-mile drive to Blue Ridge (CC Cragin) Reservoir. A few of our scouts brought their own kayaks, but most of them rented a boat from a vendor in Payson who delivered the boats straight to the boat ramp at the lake. After a safety briefing by our Paddle Craft Safety expert Assistant Scoutmasters, the scouts secured their personal floatation devices and boarded a boat.

## New Central District Eagle Scouts

Central District welcomed four new Eagle Scouts on July 21, 2022, as they completed their Boards of Review. Please join us in congratulating (L to R) Ben H from Troop 329, Maxwell B from Troop 147, Tristan W from Troop 244, and Corey B from Troop 228.

Check out Corey's Hearts for the City's new community garden kids area or the newly expanded Sweetwater Disc Golf Course by Ben. Max introduced us to A New Leaf, who has newly built and gathered outdoor games and toys, and Tristan worked tirelessly to lead a food drive in the Laveen community that provided over 11,000 meals donated to St. Mary's Food Bank.

Congratulations Scouts, parents and family members, and thank you to all who came out to support them!

### Newest Eagle Scouts

Congratulations to the Gila River District's newest Eagle Scouts - Ty V. from Troop 278 in Phoenix, Owen N. from Troop 283 in Chandler, Christopher N. from Troop 285 in Chandler, and Dorian J. also from Troop 285 in Chandler. These outstanding Scouts passed their Eagle Boards of Review and earned Scouting's highest rank. That makes 26 new Eagle Scouts for the Gila River District in 2022.

### Flag Raising

Troop and Crew 8051 in Yuma were asked to perform a flag raising ceremony on the 4th of July hosted by the Cabelleros de Yuma. It was an honor to perform such a significant detail for the community.

### Troop 5101 Colorado's Weminuche Wilderness 50 Mile Backpack Wilderness

Members of Boy Scout Troop 5101, sponsored by the Globe - Miami Elks Lodge, #489, just returned from a week-long backpack trip in the Weminuche Wilderness near Silverton, Colorado. Before hitting the trail, they spent a day whitewater rafting on the Animas River which runs through Durango. They began their hike at the Pine River trailhead, turned onto the Flint Creek trail, crossed over onto the Continental Divide Trail, and went down Elk Creek to Elk Park. Some of the many hike highlights were crossing the Continental Divide four times, topping out at almost 13,000 feet elevation, and catching the Durango to Silverton Steam Train at Elk Park for the ride back to Durango. Wildlife they met on their hike included a large herd of elk, a moose, a marmot, and pikas, just to name a few.

## Eagle Project at Ben Avery

BY EVAN MATSON

Phoenix AZ - Scouts and adult leaders from Troop 15, 440, and 603 lend a hand. The Eagle Project was to build 25 benches for Ben Avery Shooting Range. They need benches because of the weather and the usual wear and tear they get. My volunteers were made up of present, former, and adult leaders from Troop 15, 440, and 603. I am grateful for everyone that helped me make this happen. I look forward to seeing them in use at the range.

## How the West Was Fun Camporee

(October 7-9, 2022) Boyd Ranch, Wickenburg, AZ - How the West was Fun Camporee to be Oct. 7-9, 2022, at Boyd Ranch, Wickenburg.

Howdy Partners! Get your cowboy hat and boots because our district's western camporee will be on October 7-9 at Boyd Ranch in Wickenburg. Senior Patrol Leaders, save the date on your troop calendar and be sure to discuss at your next PLC. You won't want to miss all the fun, and yes you get to wear western apparel! Yea-haw!

The White Tanks OA Chapter is also planning and staffing the event. At the monthly chapter meeting, OA members have been working on plans for the camporee. OA members can attend the monthly meeting held the 3rd Thursday of each month at 9502 W. Hutton Dr., Sun City, AZ 85351 Time 6:30 p.m. to 8:00 p.m.

Scoutmasters and Crew Advisors, the key to a successful event is being sure we have attendees, and we must have 80 participants registered by August 8 or we risk our camporee being cancelled. Registration is easier than ever as you only have to register the number of Scouts and Leaders attending. You no longer have to include information for each participant. We recommend you register your minimum number of scouts. Later, when you have more attendees, just go to your original registration and add the additional participants.

- Youth Registration \$20
- Leader/Adult Registration \$10
- 80 Participants Registered by Monday, August 8, 2022
- Registration Closes Sunday, October 2, 2022
